3. OLD BUSINESS: None

4. NEW BUSINESS:

- a. **Club Calendar:** One member suggested we keep a calendar (most likely accessed on the website) where everyone can add upcoming trips, events, etc. This would allow for members who are camping or paddling somewhere to let others know, offer another way for members to keep track of dates, and allow for any necessary changes.

We will try this as a new initiative. Passed unanimously.

We still have some issues with yahoo users receiving emails. Mary will create a mailing group and forward messages to them.

- b. **Club canopy:** As many of you know, the canopy met its demise due to the winds of Lake Loramie in April. Do we want to invest in a new one? If so, we need a small (1-3) contingent of members willing to search and purchase.

It may make more sense for members to offer their pop-ups which we can set up together. Another option is to buy a 10x10 canopy with straight legs and a 20x20 tarp. We will need rope and good stakes. We agreed to \$250 or less. Passed unanimously.
